- ☐ A. A complete listing of all of the claims is not present.

TIME PERIODS FOR FILING A REPLY TO THIS NOTICE:

1. Applicant is given **no new time period** if the non-compliant amendment is an after-final amendment or an amendment filed after allowance. If applicant wishes to resubmit the non-compliant after-final amendment with corrections, the **entire corrected amendment** must be resubmitted.
2. Applicant is given **one month**, or thirty (30) days, whichever is longer, from the mail date of this notice to supply the correction, if the non-compliant amendment is one of the following: a preliminary amendment, a non-final amendment (including a submission for a request for continued examination (RCE) under 37 CFR 1.114), a supplemental amendment filed within a suspension period under 37 CFR 1.103(a) or (c), and an amendment filed in response to a *Quayle* action. If any of above boxes 1. to 4. are checked, the correction required is only the **corrected section** of the non-compliant amendment in compliance with 37 CFR 1.121.

Extensions of time are available under 37 CFR 1.136(a) only if the non-compliant amendment is a non-final amendment or an amendment filed in response to a *Quayle* action.

Failure to timely respond to this notice will result in:

Abandonment of the application if the non-compliant amendment is a non-final amendment or an amendment filed in response to a *Quayle* action; or

Non-entry of the amendment if the non-compliant amendment is a preliminary amendment or supplemental amendment.

Continuation of 4(e) Other: The claims have been changed, but do not include the appropriate markings indicating the deleted and added portions relative to the immediate prior versions of the claims.

Page 2 of the 1/25/08 response is titled "Amendments to the Claims (No amendments)" and each of the listed claims is identified as either "Previously presented" or "Cancelled". However, the claims in this listing are not identical to the claims in the immediate prior listing submitted on 8/22/07 (and considered by the Examiner in the 10/30/07 Office Action). For example, in the 8/22/07 claims, claim 1 was amended in three places: to change "thereof" to "of said polypeptide"; to delete the word "about"; and to change "hedgehog" (non-italicized) to "a hedgehog" (with hedgehog in italics). In the 1/25/08 listing of claims, none of these changes are included. Furthermore, none of the 8/22/07 changes to claims 30, 39, 40 and 49 are included in the 1/25/08 claim listing. Furthermore, there are no markings in the 1/25/08 claims that indicate that text was deleted and added with respect to the 8/22/07 claims. Furthermore, each claim that has been changed has not been identified as "Amended".

As the 1/25/2008 non-compliant amendment is an after final amendment, please note item (1) in the section "Time Periods For Filing A Reply To This Notice", which states that no new time period is given to Applicants. If Applicants wish to re-submit the non-compliant after final amendment with corrections, the entire corrected amendment must be resubmitted.
